RE: *Federal-State Joint Board on Universal Service, CC Docket No. 96-45*

TPUC Project No. 25787 - *FCC Letters Regarding ETC Designation Pursuant to FTA '96 § 214(e) (2)*

TPUC Docket No. 37875 – *Application of CGKC&H #2 Rural Limited Partnership, d/b/a West Central Wireless and d/b/a Right Wireless for Designation as an Eligible Telecommunications Carrier Pursuant to P.U.C. SUBST. R. 26.418 and an Eligible Telecommunications Provider Pursuant to P.U.C. SUBST. R. 26.417*

Amendment to the ETC Designation of CGKC&H #2 Rural Limited Partnership d/b/a West Central Wireless and d/b/a Right Wireless

Pursuant to Section 214(e) (2) of the Communications Act of 1934, as amended (the "Act") and 47 C.F.R. sections 54.201 – 54.203, the Texas Public Utility Commission (TPUC) has granted an amendment to the eligible telecommunications carrier (ETC) designation of CGKC&H #2 Rural Limited Partnership d/b/a West Central Wireless and d/b/a Right Wireless (WCW or the Company). WCW is a facilities-based provider of Commercial Mobile Radio Service (CMRS). WCW provides traditional cellular services under the name West Central Wireless. Additionally, the Company provides pre-paid cellular services throughout the service

area using the same facilities under the name Right Wireless. This ETC amendment is effective March 8, 2010.

The attached Order No. 4, *Notice of Approval for Designation as a Eligible Telecommunications Carrier and Eligible Telecommunications Provider*, Docket No. 37875, issued on March 8, 2010, grants WCW an amendment to its ETC designation expanding its current ETC service area to include: 1) the entire rural telephone study area of Central Texas Telephone Cooperative, Inc.; 2) the three wire centers that make up the San Angelo Exchange (SANGTXXA, SANGTXXB, and SANGTXXG) of the non-rural carrier Verizon; and 3) the entire Winters, Ballinger, and Goldthwaite wire centers of the non-rural carrier Verizon. In addition, the Order grants WCW ETC designation throughout the remainder of Verizon's Menard Exchange.

Also attached for your information is the affidavit of Mike Higgins, General Manager of WCW, which attests to the company's intent to use the federal support only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with § 254(e) of the Federal Telecommunications Act, and for the provision of the designated services required by 47 C.F.R. §54.101. This document is forwarded to your attention pursuant to 47 C.F.R. §§54.313 – 54.314, for the purpose of calculating federal universal service support for WCW.
